

CONSTRUCTION UPDATE

Water Transmission Main Improvements

West Hartford and Farmington, CT

Beginning the week of **June 11th**, the **Metropolitan District (MDC)** and their contractor **True Blue Environmental Services** are returning to continue water transmission main improvements in and around your neighborhood.

Work to date on the project has occurred on MDC reservoir property and the UConn Health campus. Upcoming work will include water main pipe installation on Old Mountain Road and across Farmington Avenue.

This work is expected to require some controlled blasting for rock removal. All blasting activities will be performed under permit requirements from the Town of Farmington.

The project is scheduled to be completed by the fall of 2018.

During work hours, Old Mountain Road will be closed to through traffic and a detour will be in place. Access to all properties on Old Mountain Road and connecting streets will be accommodated. (See detour map on reverse.)

Work hours are generally Monday through Friday,

7:00 AM to 5:00 PM

Night work is anticipated on Farmington Avenue.

Schedules are subject to change based on weather conditions and unforeseen construction activities. MDC Staff, Contractors and Consultants must be properly identified and show ID upon request.

If you have questions or concerns, please contact:

**Hector Rivera, Resident Engineer at
